Janice Pampell

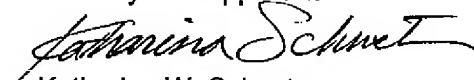

Dear Sir:

Applicant appreciates the Examiner's allowance of Claims 1-3, 6-19, 12-16, 19-24, 41-45 and 48 of United States Patent Application No. 10/647,050, filed August 22, 2003. Applicant respectfully submits that the record as a whole makes evident the reasons for allowance and that there are additional reasons for patentability not enumerated by the Examiner. While Applicant agrees with the Examiner's reasons for patentability to the extent such reasons are consistent with the record as a whole, Applicant does not acquiesce or agree to any characterization of the claims that place unwarranted limitations or interpretations upon the claims, especially to the extent such limitations or interpretations are inconsistent with the claim language, specification or prior prosecution history in this case.

The Director of the U.S. Patent and Trademark Office is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-3183 of Sprinkle IP Law Group.

Respectfully submitted,

Sprinkle IP Law Group
Attorneys for Applicant
